Product description

Design: LED lamp RIDI-TUBE, colour rendering $Ra \geq 80$, standard colour tolerance < 3 Step MacAdam (initial). LED module configured as a linear circuit board. Mid-power LEDs for even illumination and maximum efficiency. Base profile in extruded aluminium for optimum thermal management. Linear circuit board interlocked with the base profile along the whole length. Cover in satinised PMMA for efficient light emission, base in durable white PC. Operation using an external LED driver (prefitted in luminaire), constant current, safety extra low voltage less than 60 Volts (SELV conformity).

General

Product category	Light source
------------------	--------------

Dimensions

Dimension L	1449 mm
Dimension B	23 mm
Dimension H	23 mm
Net weight	0.476 kg

Electrical version

Power consumption	0.65 mA
